

Sources on Art Technology: Back to Basics

The sixth symposium of the ICOM-CC Working Group Art Technological Source Research, Monday 16 and Tuesday 17 June 2014 at the Rijksmuseum in Amsterdam.

Guidelines poster presentations

Posters must be A0 size (841 x 1189 mm) in portrait orientation.

Please check the following guidelines regarding the poster layout:
Leave a space of 10 cm from the top for title (preferably Arial 40 or an equivalent font and size – Times New Roman or Garamond), authors, affiliations, etc.
We recommend the use of Arial 24 (or equivalent font and size – Times New Roman or Garamond) for texts in text blocks with a maximum width of 20 cm.
Line space 1.5.

The program will show when you can hand in your poster. The posters will be mounted by the conference organization.

Handouts in the form of A4 / A3 copies of the poster are often appreciated by attendees.

If you are not able to attend the conference, please send an e-mail to the conference organization: atsr6@rijksmuseum.nl. We will provide you with instructions for sending your poster to the conference.
